Hi Randy Randy,

A new account has been requested at 'Classroom Portal' using your email address.

To confirm your new account, please go to this web address:

http://moodle.bainbridge.wednet.edu/login/confirm.php?p=XbNPP0fqlr9gMKB&s=rdorwin

In most mail programs, this should appear as a blue link which you can just click on. If that doesn't work, then cut and paste the address into the address line at the top of your web browser window.

If you need help, please contact the site administrator, Randy Orwin (ROrwin@bainbridge.wednet.edu)
You are not confirmed yet because an error occurred. If you clicked on a link in an email to get here, make sure that the line in your email wasn't broken or wrapped. You may have to use cut and paste to reconstruct the link properly.

This is the Moodle screen that will appear if the link in your email did not work. To get it to work properly, go back to the email and copy the link and then open your web browser and paste it into the address bar.
If you are successful in confirming your account, you will automatically be logged in as this screen shot shows. Once logged in you can select one of the categories from the left and enroll in one of the classes, assuming that it is open for enrollment.

This is the last slide in this tutorial. Click on the black arrow in the green box to restart this tutorial.
